**Performance Test:**

**Training report:** Teun 505 started the Central Examination in the previous year but was redirected to this year. The stallion has gone through a major development compared to last year. In the initial stages of the examination Teun 505 easily tensed up. In the course of the test the stallion started to move with more looseness in the topline. He demonstrates great technique in movement and ditto self-carriage in all disciplines. Flexion in the joints is good and his style of canter is a positive asset. After the saddle test the stallion had a little dip but he has bounced back well. Thanks to his good trainability and hard-working attitude he gives his riders and drivers a good feeling. Teun 505 is easy to train in all disciplines.

**Walk:** When he suffers from tension he walks with short strides. When relaxed, the stallion displays an active walk with satisfactory scope and then he moves well through his body.

**Trot:** In trot Teun 505 demonstrates great technique in movement with lots of flexion in the joints. The hind leg steps far forward under the body and the foreleg has knee action with good forward reach. His trot is characterised by good suppleness. In all disciplines the stallion presents a satisfactory uphill frame in trot.

**Canter:** The canter is powerful with a good uphill quality showing lots of scope and satisfactory self-carriage.

**Riding horse aptitude:**

Teun 505 is very talented for dressage work. He is hard-working with good trainability skills and gives his rider a good feeling.

**Driving horse aptitude:**

Teun 505 has great capacity for driven work. In show driving he displays lots of

go, moves with lots of technique and in a satisfactory uphill outline. He should develop a bit more front.

**Findings Performance Test:**

In the course of the test Teun 505 has shown good progress in all three disciplines. This inquisitive stallion has an eager attitude and is easy to train. For riders and drivers he is a joy to ride or drive.

**Final conclusion:**

Teun 505 has a good lineage and was bred from a dam line that has produced several approved stallions. The stallion has a good exterior and has completed a good test. On the basis of these findings the stallion will be registered in the Stallion Studbook under the name of Teun 505.

**Dam report:**

**General:** Richt fan Lutke Peinjum is a well-preserved 13-year-old mare with a lot of front. She has a strong physique and shows powerful movement. The mare has an expressive head with a slightly long face, more than satisfactory feathers and coat colour is jet black. The poll is a bit short and the head-neck connection should be a little lighter. The vertically-placed neck with satisfactory length rises fairly deep from the chest. Shoulder conformation is sloping. The withers are somewhat short but with satisfactory connection to the back. Topline is strong with a good connection to the croup. The croup is of more than satisfactory length with lightly sloping conformation. Body shape is almost horizontal. The legwork shows more than satisfactory quality. Stance of the foreleg is standing-under with a tendency to toeing-in. The hind legs are slightly sickle-hocked. The feet are well-shaped and well-matched. The active walk is regular with satisfactory power and ground-coverage. In trot this mare demonstrates good posture with a powerful, electric hind leg that is placed forward under the body with satisfactory reach.

**Dam line:** Teun 505 is a Bartele 472 son out of a Star mare by Rindert 406 who so far has three Star offspring. His granddam is a Model Sport Preferent mare by Fabe 348. His greatgranddam (3rd dam) is the famous Feitse 293 daughter Setske F. This Setske F. is Star, Preferent and Performance, has as many as thirteen Star offspring and is dam of the Preferent Beart 411. Before her we find the well-known mare Kingke Stb. Model Preferent by Dagho.

**Advice:**

Teun 505 is expected to improve breeding type, model, movement technique, attitude and trainability.
