Performance Test::

Herre 524 completed the Central Examination as a 3-year-old stallion.

Trainingsrapport:

Walk: In walk Herre 524 moves with relaxation and satisfactory scope, rhythm and regularity.

Trot: He has an uphill trot with satisfactory scope and lots of bend in the hind leg, which is placed well forward under the body. The rhythm is somewhat rushed and he would benefit from a slightly longer moment of suspension in trot.

Canter: The canter is uphill, with ground-covering strides and continually improved in the course of the Central Examination.

Riding horse aptitude:

Herre 524 has a youthful appearance and continually made progress in the course of the Central Examination. He is a light-footed stallion with good reflexes. He gives the rider a good feeling and has a cooperative character. Herre 524 appears to have satisfactory aptitude for riding horse.

In-harness aptitude:

Herre 524 feels at home in front of the carriage and demonstrates to have more than satisfactory aptitude for driving- as well as showdriving horse. He is easy to train in front of the carriage and responds well and directly to the driver's aids. He displays great expression in his overall

movement.

Findings Performance Test::

Herre 524 is a stallion with satisfactory aptitude for under-saddle work. As a driving- and showdriving horse he possesses more than satisfactory aptitude, great front and good leg technique.

Dam report:

Herre 524 is the first foal his dam Hinke fan Hylpen gave birth to. She is a third-premium Studbook mare who was sold abroad. His granddam is Model Sport mare Wietske fan Hylpen (Onne 376), a half-sister to Eise 489 (Maurits 437). Their dam is Lieke fan Hylpen Star Preferent Performance (Olof 315), who has one Sport Elite and three Sport offspring, one of whom is also Model. It is a line brimming with sport horses in dressage, driving and showdriving.

Final conclusion:

Herre 524 is a stallion with modern lines and lots of front, a very youthful appearance, correct legwork and the stallion has satisfactory aptitude for under-saddle work in which he shows potential for more progress. With the in-harness work the stallion has more than satisfactory aptitude for both driving- and showdriving. He makes a lot of front, makes himself big in front of the carriage and shows lots of bend in the hind leg. Herre 524 has good forward reach in the foreleg with a satisfactory moment of suspension. On the basis of the above data the stallion Herre fan Hylpen Star is registered in the Studbook for stallions under the name of Herre 524.

Advice:

Herre 524 is a good match for big-framed mares and is expected to improve swiftness of the hind leg.
